

Shark Food Chain Song

(Post visit)

There was an Old Lady Who Swallowed the Sun! The Oceanic Food Chain!

(Tune of "There was an Old Lady Who Swallowed a Fly")

There was an old lady who swallowed the sun.
What fun is it to swallow the sun?
Is she done?

There was an old lady who swallowed some plankton.
The plankton was tiny but weighed a ton.
She swallowed the plankton to absorb the sun.
Is she done?

There was an old lady who swallowed a shrimp.
Too much in her tummy, made her limp.
She swallowed the shrimp to eat the plankton.
She swallowed the plankton to absorb the sun.
Is she done?

There was an old lady who swallowed a fish.
The fish was a slimy, wiggly dish.
She swallowed the fish to eat the shrimp.
She swallowed the shrimp to eat the plankton.
She swallowed the plankton to absorb the sun.
Is she done?

There was an old lady who swallowed a shark.
Perhaps it was a mistake she made in the dark.
She swallowed the shark to eat the fish.
She swallowed the fish to eat the shrimp.
She swallowed the shrimp to eat the plankton.
She swallowed the plankton to absorb the sun.
She's done, of course!
